Our program has grown in recent years and is competing on the National level every year. The team is very young with the majority of shooters under the age of 13, yet we continue to rank nationally against ROTC and School sanctioned teams.

The money will be used for travel expenses to allow the kids to attend the following tournaments. Bolded are team events.

- ◇ CMP Regionals—Layton, UT
- ◇ **NRA Nationals—Bloomington, IL**
- ◇ **CMP / JO Nationals—Camp Perry, OH**
- ◇ **4H Nationals—Grand Island, NE**
- ◇ American Legion—Colorado Springs, CO

We will be sending individuals in two teams to most of these events, with coaches. For the CMP / JO Nationals we will be sending 6 shooters and two coaches.

The team appreciates any donation, it will go to a great program that keeps these kids in a thriving competitive sport.
